2018 – 2021

Erasmus+ strategic partnerships project

- Project location: Sibiu College (Romania)

The goal of the project "The new is forgotten the old" is to test experimental competence-based learning methods. The emphasis of the project will be on the interdisciplinary connection between the present and the past. The project will be organized as a journey to forgotten places of the past, discovering old production processes and new ways to pass this knowledge on to the new generation. The unifying element of the project is the modern interpretation of lost craftsmanship in different cultures.

2018 – 2021

Nordplus project "Green Tourism Certificate" Location of the project:

- Cambsdale College (Faroe Islands)

The purpose of the project:

- find out the environmental protection rating of 2 companies of each partner school;
- to offer companies their vision for improving the environmental protection rating.
